Salzburg Global Seminar invites young cultural innovators based in Baltimore, to apply for the 5th annual session of the Young Cultural Innovators Forum, generously supported by Adena & David Testa.

ABOUT THE YOUNG CULTURAL INNOVATORS FORUM

The Young Cultural Innovators (YCI) Forum is a ten-year initiative designed to nurture the current generation of young cultural innovators through capacity building, mentoring, and global networking. The network is multi-disciplinary and encompasses creative disciplines ranging from the visual and performing arts, literature, and cultural heritage, to foods, fashion, architecture, and design.

Young cultural innovators (YCI) are highly motivated, creative catalysts with high potential to produce positive community change, particularly in underserved communities. The YCI Forum aims to empower the creative sector as a catalyst of economic, social and urban transformation around the globe by linking individuals and communities connected to the program with one another through programs in Salzburg, follow-up events, inter-hub exchanges, cross-border projects, and other activities.

THE PROGRAM IN SALZBURG

The YCI Forum offers an opportunity for participants to be part of an intensive program taking place at Schloss Leopoldskron in Salzburg, Austria, from October 16 to 21, 2018. Combining theory and practice, with keynote presentations focusing on “big picture” issues facing the cultural sector and with skills-building sessions on communicating value; principles of self-organization; cross-sectoral collaboration; and leadership and values. Selected participants will receive a full scholarship to participate in the YCI program, including travel costs, the session fee, room and board.

THE YCI HUB APPROACH

With the annual program in Salzburg as its cornerstone, the YCI Forum is structured around a network of YCI Hubs in cities and regions around the world. Each year, YCIs from many of these hubs are selected to join the program in Salzburg. After the Salzburg program, participants continue working together at the local level in their YCI Hub, while also remaining in touch with wider global YCI network worldwide.
